Sir:

Prior to issuance, please amend the above-identified application as follows:

Amendments to the Specification begin on page 2 of this paper.

It should be noted that no new amendments have been made. The presented paragraph (Paragraph 21) duplicates the paragraph with amendments presented by amendment dated August 26, 2004. However, that amendment did not use a strike-through to clearly show that the bracketed material (including the brackets) appearing at the end of paragraph 21 was to be deleted. This amendment is filed to ensure the deletion of that material.
